Student access to Arbor

https://hope-valley-college.uk.arbor.sc

Homework

This half term, all your homeworks will be on Arbor so that you **only need to check one place to find your list of assignments**. The assignment might then tell you to go to Sparx or to Educake, for example.

You also need to use your planner to record deadlines when your teacher explains your homework in your class.

Your access to Arbor

You will get an email to help you access Arbor. At this point this is only available as a web page, rather than an app.
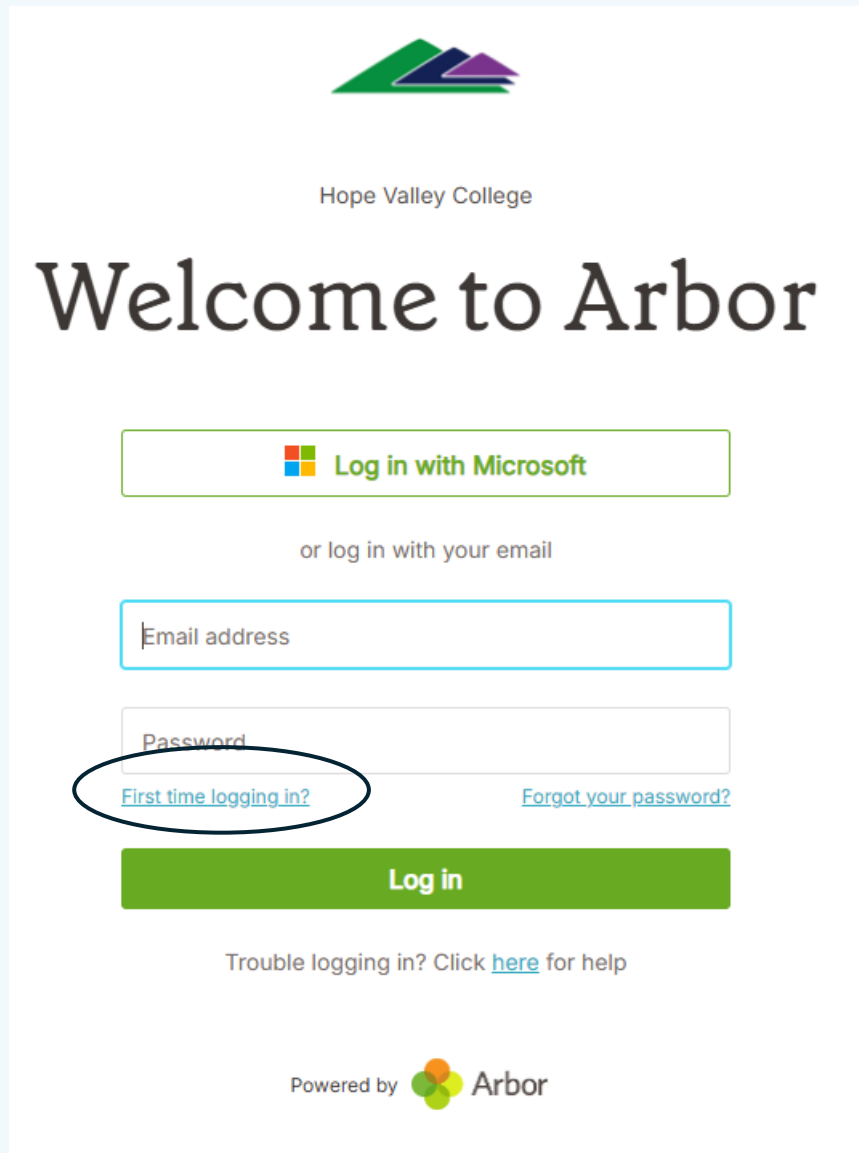

It's easier to log on to Arbor on a laptop or tablet than on your phone.

If you do use your phone, try looking at this on landscape rather than portrait so it's easier to see.

Follow the link in the email
